

DESIGN YOUR OWN DINGO.

1. Use scissors to cut around each outfit or shape - be careful not to cut off the tabs!
2. Let's add some colour! Try using pencil or crayons, or even paint.
3. Choose an outfit and place it on the Dingo.
4. Gently fold the tabs around the back of the figure to keep them in place.
5. To change outfits, carefully unfold the tabs and swap with something else!

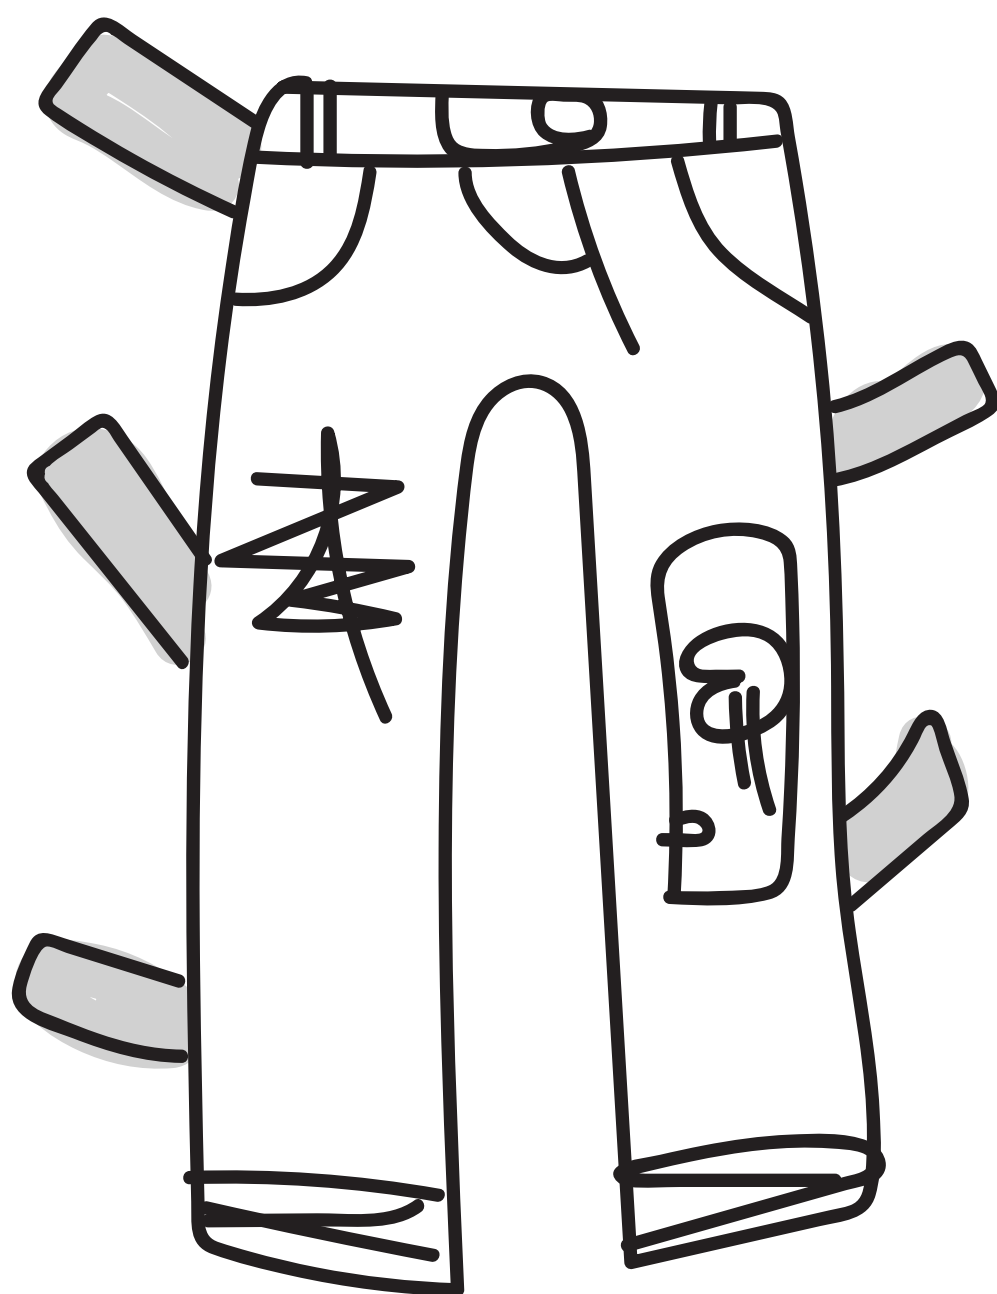

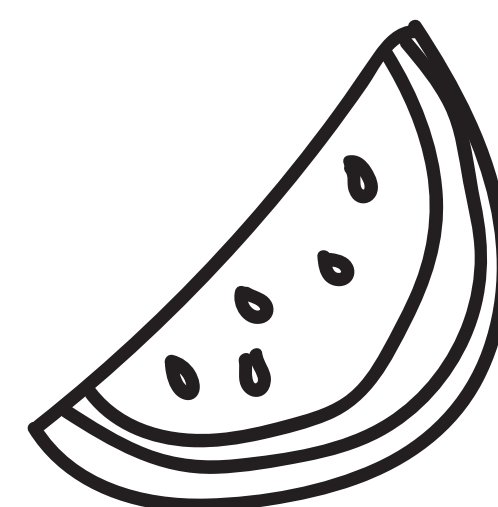

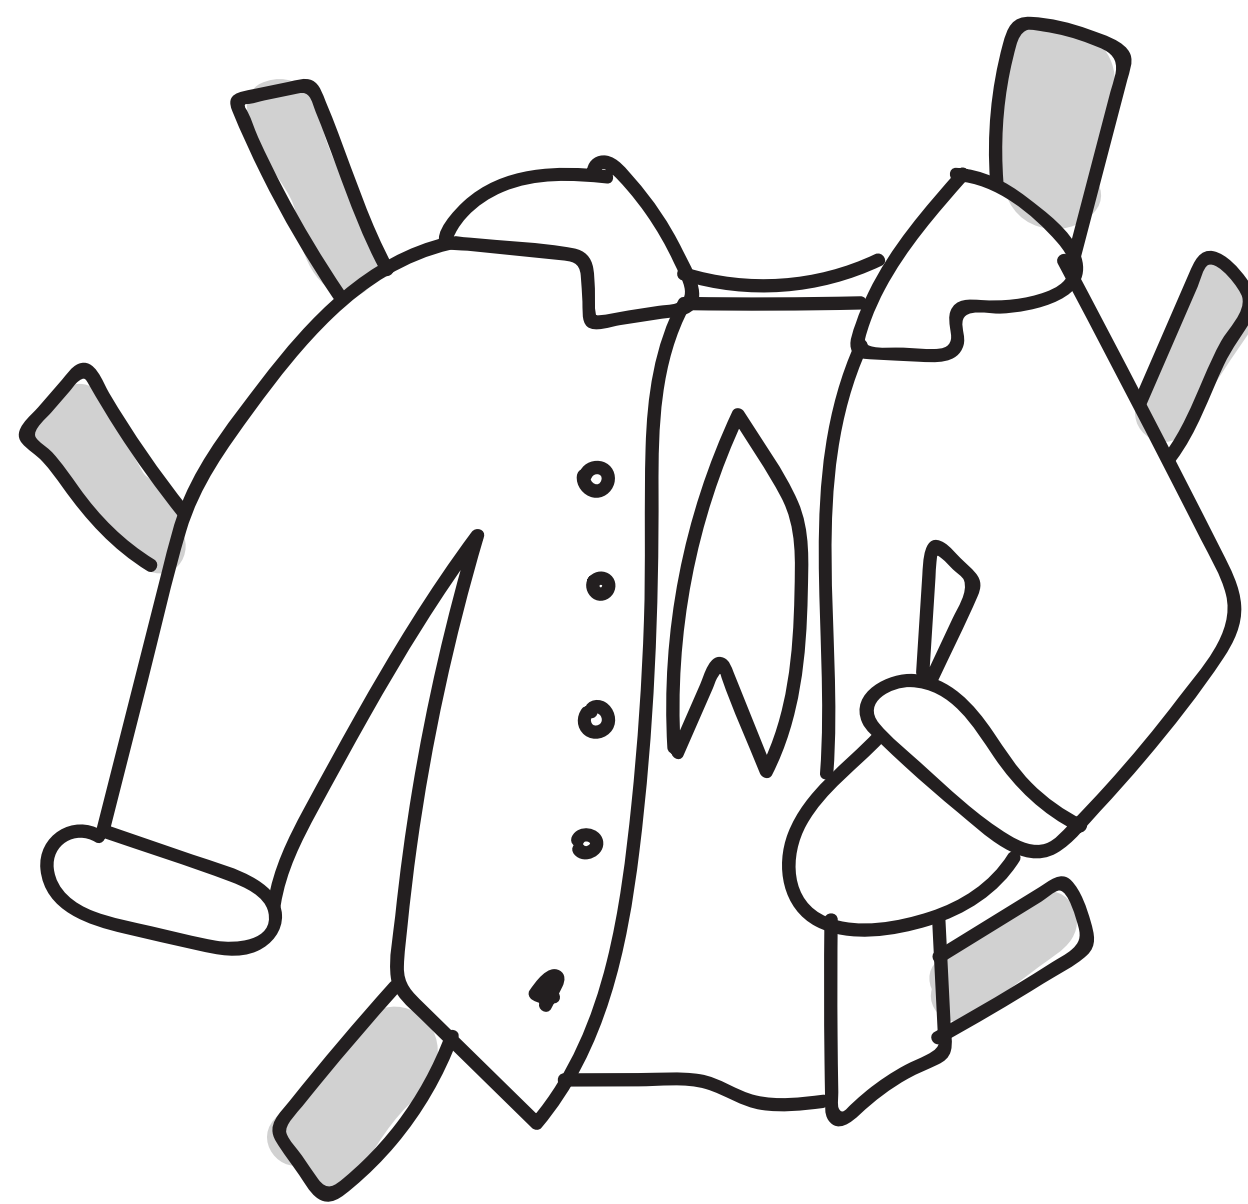

MORE IDEAS.

1. Trace around your favourite item on a piece of paper to create a second one!

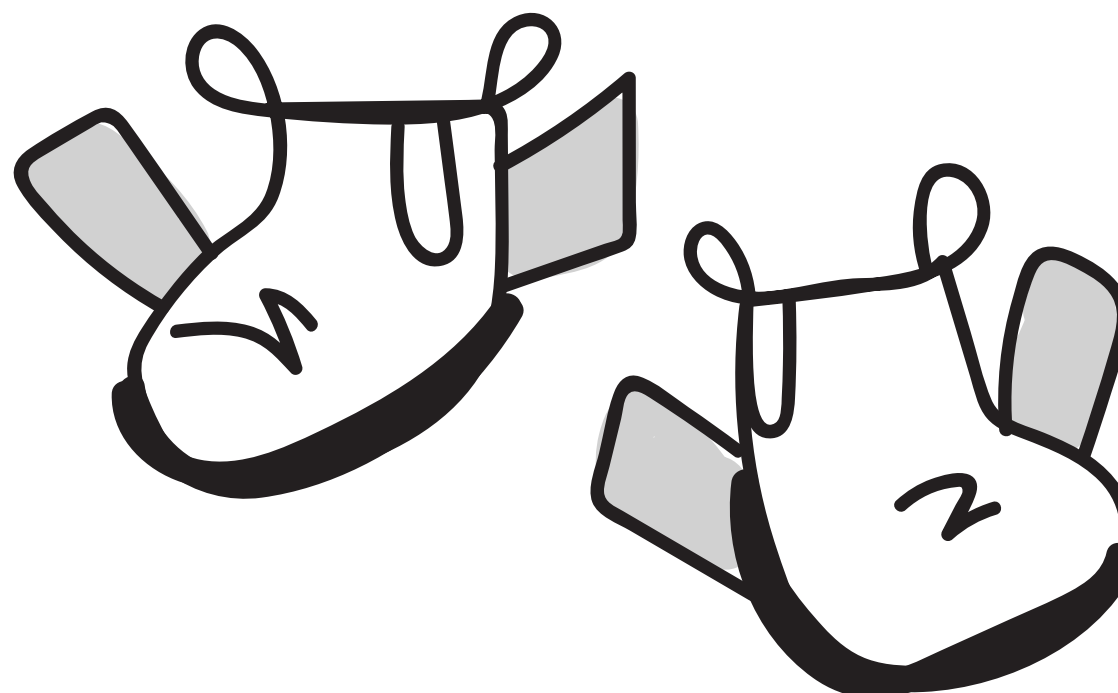

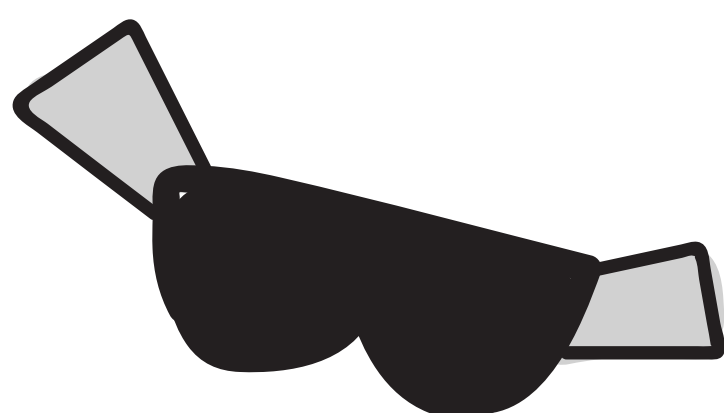

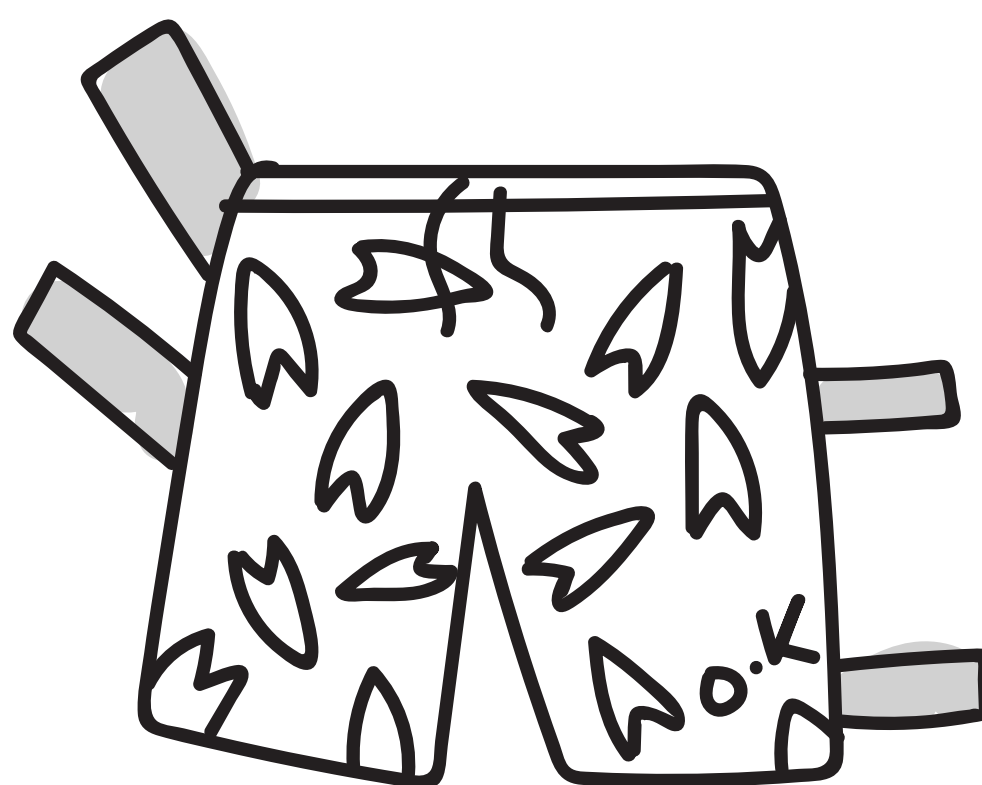

2. Use boxes, cardboard or things around the house to make a scene for the dingo.

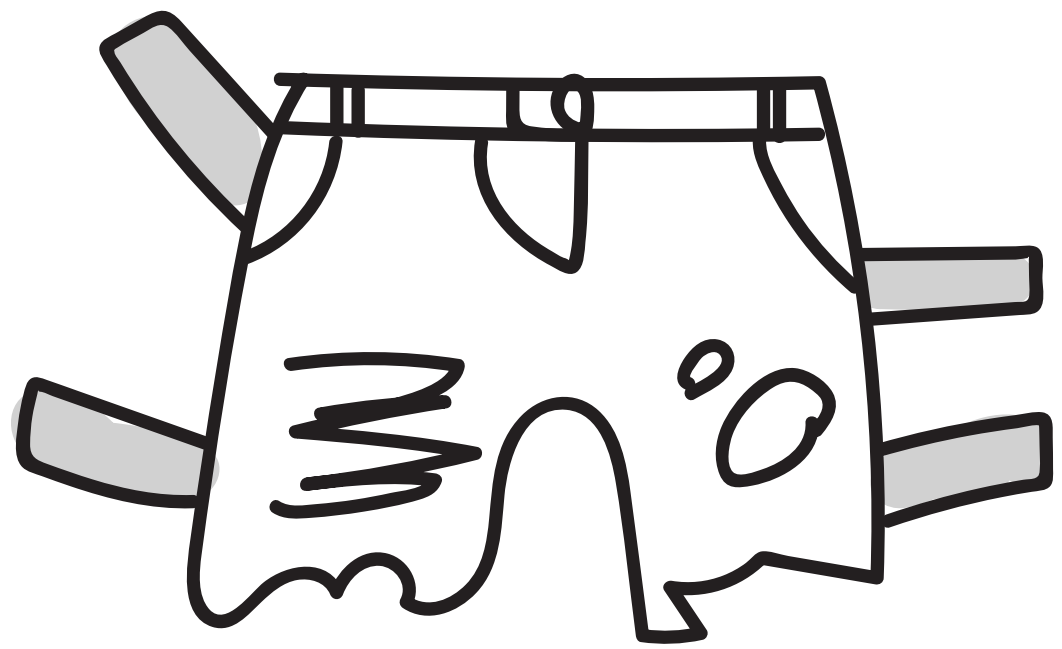

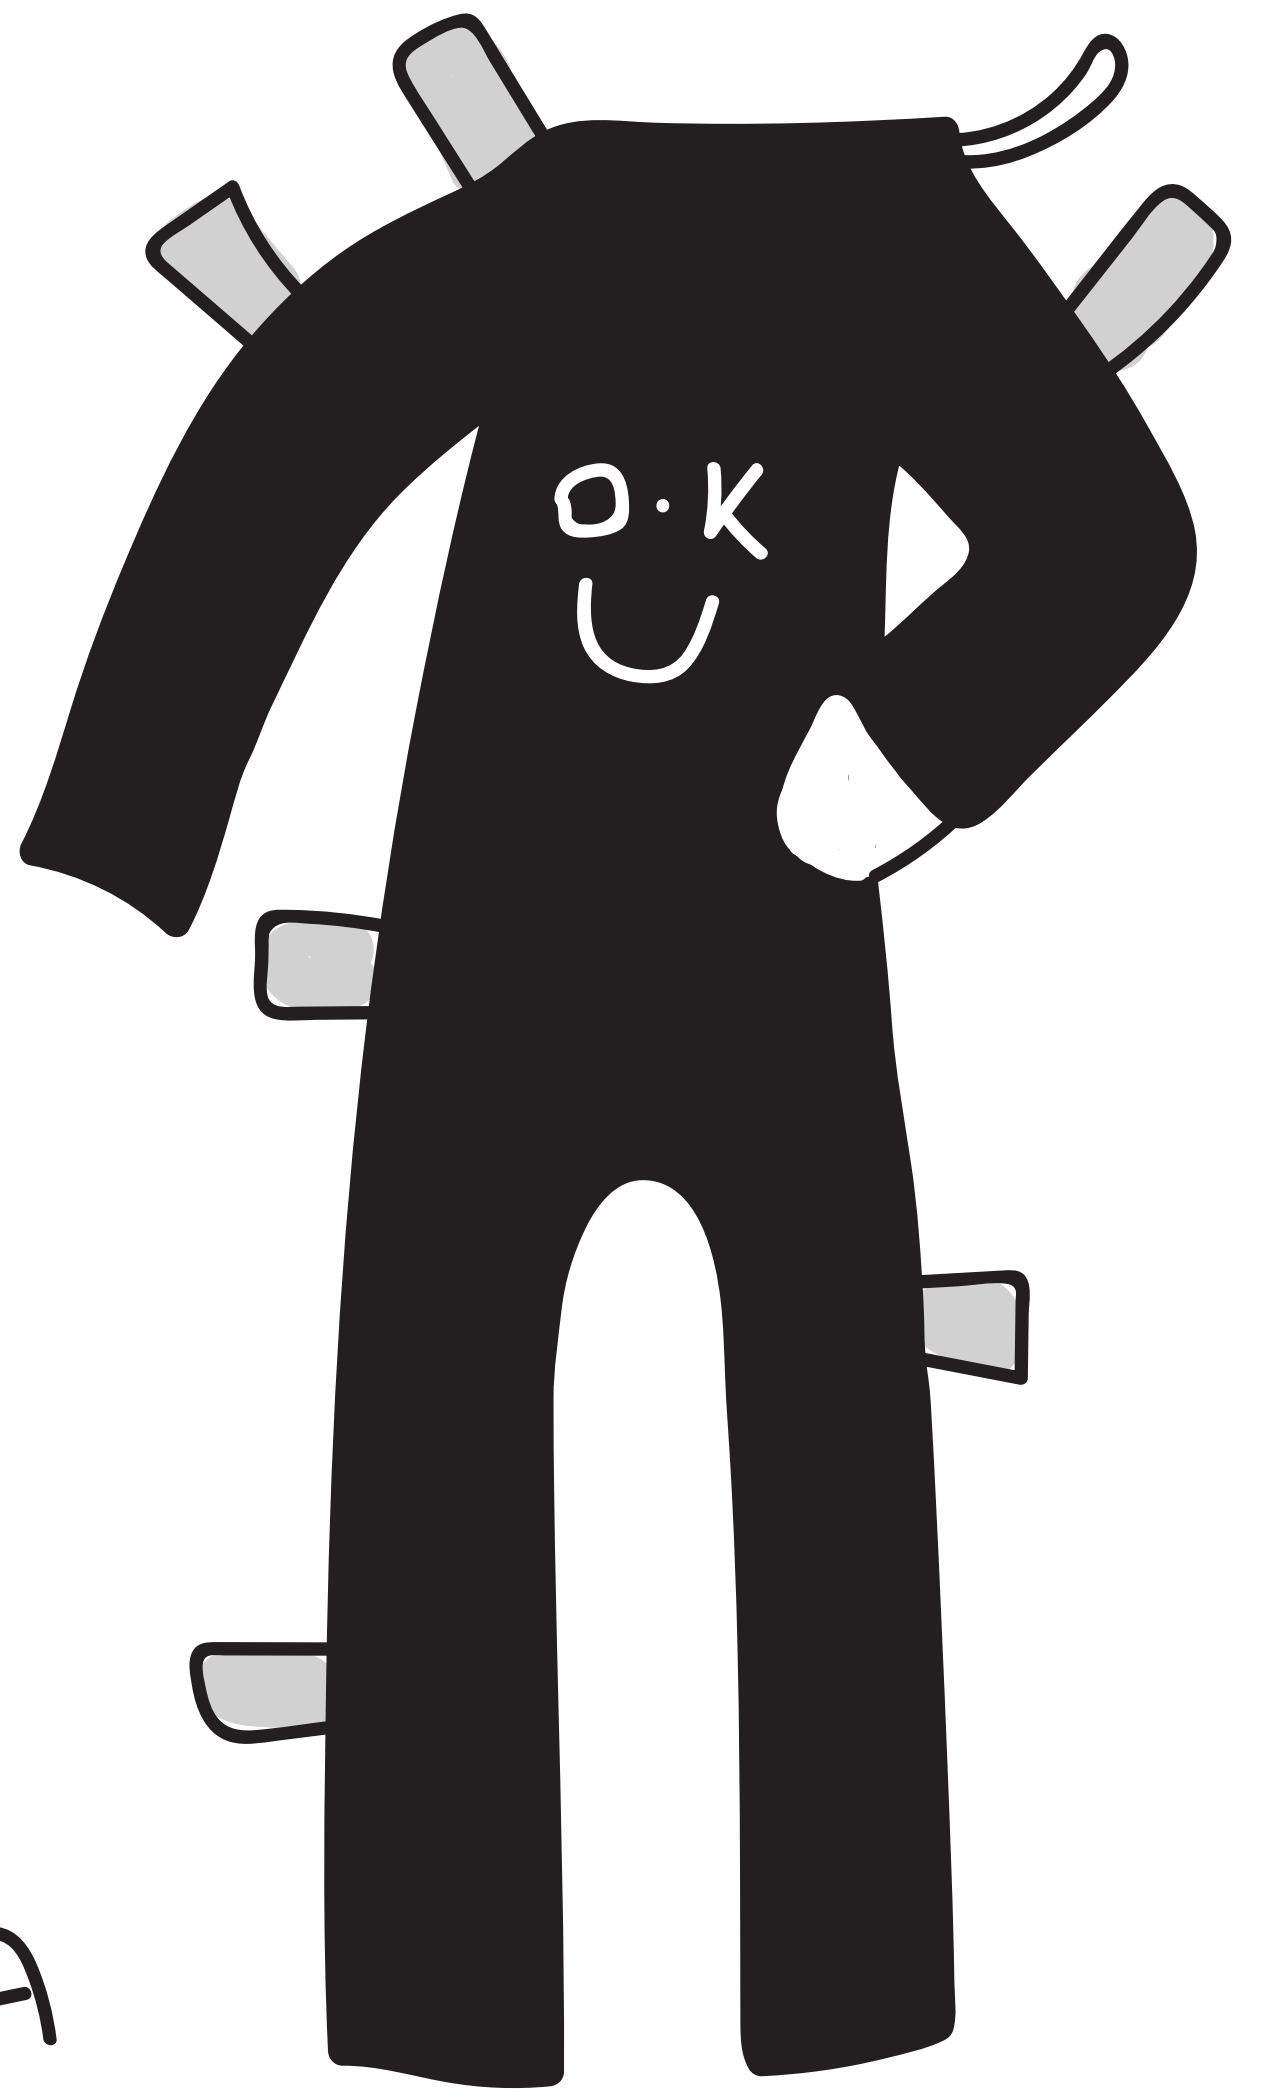

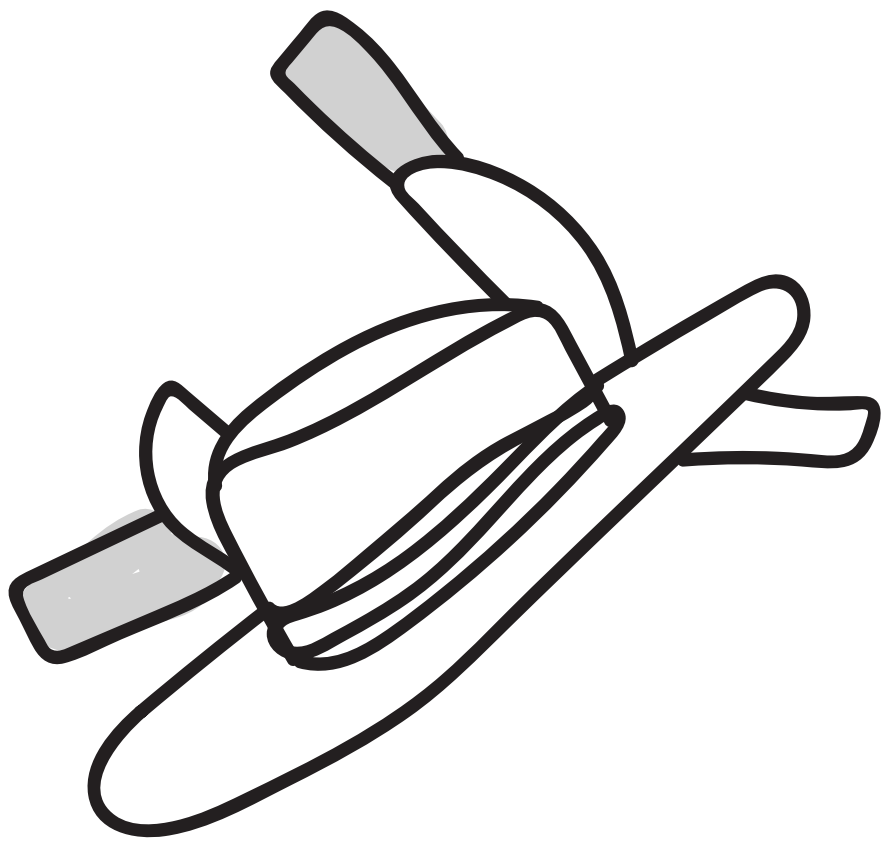

3. Try drawing different scenes on paper to make a story!

4. Use a stapler to give your dingo an earring, or draw some tattoos on their arm!
