## Artist Workshop Bursary Application

Grafton Regional Gallery is excited to be supporting Clarence Valley artists through the Artists Workshop Bursary Program. The program is designed to provide assistance to emerging and local artists to take their practice to the next level by attending a Grafton Regional Gallery organised workshop or professional development event that they could not otherwise attend due to limited resources.

Only one bursary can be awarded to any one single applicant within a 6 month period, bursary award on merit at the discretion of a selection panel organised by Grafton Regional Gallery. Artists can submit multiple applications throughout the year, however it's important to think about which workshops will benefit your practice the most to prioritise your applications.
